

Ask the Chief

I have had some community members ask me about the crime rate in Minneota, especially since I started sharing with the community what I am doing via the Police Blotter in the Minneota Mascot.

I explain that Minneota is no different than any other community. Crime is not about a location but is a product of people interacting with each other.

What makes Minneota great is that the people in Minneota care about each other and are willing to lookout for each other. Doing this is easier when people have information.

My professional opinion is that Minneota is a great place to live and raise a family. Bad things happen from time to time and that is to be expected in life, but what makes our community special is how we responding to these problems.

As always if you have a question or concern let me know...

Sincerely,

Chief Bill Bolt
