

**FRIENDS OF THE MINNEOTA
PUBLIC LIBRARY
and
SOCIETY FOR THE
PRESERVATION OF MINNEOTA'S
HERITAGE**

need your help to raise \$15,000.

This is the amount required to fund the remaining exterior repointing on the O.G. Anderson & Co. "Big Store," home of the Minneota Public Library and Opera Hall. This last phase of repointing should keep the building's interior safe and healthy for the community for many years.

Repointing is the process of removing and replacing deteriorating masonry joints and bricks. In turn, this preserves the building's structure as well as keeps moisture out of the building.

Grants and contributions like yours have made it possible to renovate and restore the iconic "Big Store," and we want to keep it in great shape for the future!
