#### **At this time we request that family and friends do not visit the facility**

We know many of you are concerned about the spread of COVID-19(the new coronavirus) and how it may impact us here at Minneota Manor Health Care Center and Madison Avenue Apartments. Ensuring residents/tenants are cared for in a safe and healthy environment is our first priority. At this time we do not have any cases in our facility.

We are acting now and have reviewed our infection prevention and control policies and procedures, as this is key to preventing coronavirus and other common viruses. We are ensuring that our staff and residents are practicing proper hand hygiene. It's critical that we remind all employees who are sick to stay home and ask all family members and volunteers to avoid visiting our facility for the time being. We are in very close communication with local and state health officials to ensure we are taking the appropriate steps.
