

Keep Your Community Safe

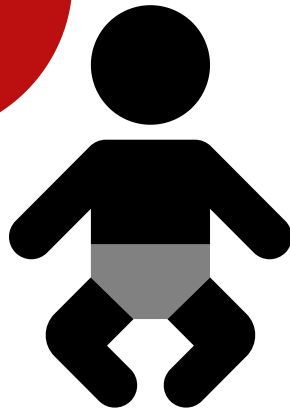

**DO NOT
throw loose
sharps in trash**

**DO NOT
throw sharps
in recycling.**

**DO NOT
flush sharps
down the toilet**

**KEEP OUT
of reach
of children**

ALWAYS USE A SHARPS CONTAINER

Used sharps are hazardous waste. When not discarded properly they can cut and infect others. Protect your community by always discarding your used sharps in a sharps disposal container.

Sharps containers may be available from your doctor, hospital, health insurance or pharmacist. You can also buy a sharps container online.

FREE sharps (needle) disposal is available through the Lyon County Household Hazardous Waste Facility and is provided by an agreement between the Environmental office and Avera.

Sharps (needles) must be in an approved container and can be brought to the Facility by appointment.
Please call (507) 532-8210 for assistance.
